Formal Request for Complete Policy & Claim File, & All Personal Data

I am requesting the full & complete policies & claims file for all claims associated with my name, address, phone number, & email. This includes, but is not limited to:

- my policies & declarations pages
- all claims documents
- all correspondence
- all emails sent or received
- all internal notes
- all adjuster notes
- all evidence used in claims decisions
- all communications logged in your system
- all documents I previously uploaded
- all versions of claim decisions
- all internal records tied to my account

Additionally, I am requesting a complete copy of all personal data your company holds about me, including all account data, portal data, identity verification data, & any other information associated with my profile.

I no longer have access to my Lemonade account credentials, phone number associated ([redacted]), email history ([redacted]), so you must provide these documents directly.

Policies for my name & address run from [redacted].

Please confirm receipt of this request and provide the full file.

Thank you,

Sierra V Carbary
